

BY-LAW CHANGE MOTIONS

2017-03-08-1

Amendment To: By-Law No. 1
Section: 3 – Board of Directors
Submitted By: MTADL Board

CURRENT WORDING

The affairs of the Corporation shall be managed by a Board of eight (8) directors.....

PROPOSED WORDING

The affairs of the Corporation shall be managed by a Board of **six (6)** directors.....

RATIONALE

To bring the size of the board to a number of members more in line with other small organizations and in particular, other dart leagues. A six member board easily fills the four officer roles required (President, Vice-President, Treasurer and Secretary) along with having two members at large. A reduction in board size also makes for a more focused and efficient meeting environment enabling the board to function more effectively.
