Rod Cook – Second Division shoot – Thank Fiel for looking after both teams... everyone appreciates efforts... 1 team went to Quarters lost in 1001 playoff. Second team did not make it out of the round robin... took one player onto the strong team, second team Skinny won doubles with a dummy 2 straight... never happened before in an all star shoot

Rik update on the website – Website is up and running, thanks goes to Josh Hayter for his assistance on the new site. Website is not completed, it is a working site, stats are there, news, standings, venue change for the site. News item up there for the meeting tonight. AGM will have a separate section will cover AGM along with AGM minutes, last AGM request that AGM be posted to the website, there will be news items, please suggest new stuff via Contact Us, via calling Rik.

Stats are up on the web site, apologies given to Dave for Graham? Penalties imposed for number of reasons. Dave has questions on stats and standings. Winning percentage is what they are ranked on. They are not ranked on total points. Total wins, ranked by winning percentage or by points? Why was that changed by winning percentage this year.
